

February 25th, 2021

Dr. Juan Carlos Sáez,
Director
Millennium Institute,
"Interdisciplinary Center of Neuroscience of Valparaíso"
Valparaíso, Chile

Dear Dr. Sáez,

As Director of Human Resources of the Artisa Group, I confirm the interest of our institution in the results of a project that seeks to mitigate the negative impacts of night work on workers in our company, an initiative that is carried out by the Millennium Institute "Interdisciplinary Center of Neuroscience of Valparaíso".

In addition, I am happy to affirm our commitment and willingness to participate and actively collaborate with the diagnostic activities and with the implementation of measures proposed in the framework of the aforementioned project.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Arturo Moraga Fuentealba
